HOLIDAY INN SPRINGFIELD, OHIO

## PRESENTATION OF THE CHARITY WALK TROT DONATION OPHYOUTH CLUB CHARITY COMMUNITY SERVICE DONATION

Ophc Charity Walk Trot Class raised \$630.00 during the 2008 show season. The OPHC Board of Directors selected the Akron Children's Hospital, Division of Hematology and Oncology, Akron, Ohio in the name of one of our youth Exhibitors Michael Woolsteen, as the recipient of this year's donation.

The Ohio Paint Horse Youth Club will also donate \$500.00 to this same recipient. They raised this money by raffling off a saddle and some other horse items. Nancy Carst, Michael Woolsteen's Nurse for many years will be accepting this award for Akron Children's Hospital.

### **2008 HIGH POINT HALTER HORSE – BOB SNYDER MEMORIAL TROPHY**

Tardee Who Me                      Gary & Fran Inskeep

Bob Snyder started showing horses before he could drive. He enjoyed traveling with the horses and seeing old friends and making new ones along the way. Bob became interest in the Paint Horse industry in the early 70's and at this time he started breeding and showing Halter Horses. He helped to get many halter horses to their World titles, Superiors, and Championships. He hauled many of the Top Youth and Amateur to World Titles who had kept in touch with him over the years. Bob was a Paint Horse Judge for over 25 years and also held other breed judges cards as well. Bob sat on the Board of Directors for many years bringing lots of new ideas to the Club to Promote the Paint Horse. He ran many Paint Horse Sales in connection with the OPHC. He was an APHA National Director from Ohio for several terms. His big warm welcoming smile to everyone he met was very contagious.

His caring, loving wife Roxie, Sterling Nickerson and many of his friends donated this Memorial Trophy in his memory,

### **2008 HIGH POINT HALTER MARE – GLENN BENNETT MEMORIAL TROPHY**

Tardee Who Me                      Gary & Fran Inskeep

Glenn Bennett was a graduate of West Virginia University where he played on their winning foot ball team. After moving to Ohio he got the horse itch and started showing Quarter Horses. He soon found those beautiful Paint Horses and immediately changed over. He began a breeding and a show barn in Hudson, Ohio. Glenn's name is connected to two great Paint Horses, Trampalina and Jo Dee Flash, with these horses along with others he took many National and State Titles. As a Trainer he hauled many of their horses to National Awards also. Glenn was a Paint Horse Judge for over 20 years and sat on the OPHC Board for many many years. He was very active in the Ohio Paint Horse Classic in Columbus. One of APHA largest shows. He was also on the Board when the Buckeye Extravaganza was started. Glenn was an APHA National Director for approximately 15 years. Glenn along with Bob Snyder were very much alike...always positive about the Paint Breed....always welcoming with a big smile, hand shake and a pat on the back to everyone he met. Butch Snider was one of his greatest friends for many many years along with Phil and Gail Stephens who he brought to this Paint Horse industry.. Glenn Bennett passed away September 26, 2006. His loving wife Gamma and best friend Butch donated this Memorial Trophy in his memory.

### **HIGH POINT AMATEUR – RON FILLE MEMORIAL TROPHY**

Ron Fille Memorial Trophy will be warded to the 2008 high Point Amateur. Ronald Fille was a member of the Ohio Paint Horse Club from 1990- 2007. Ron was an APHA member as well. Ron started out with various horses as he rew up. When he came to live in Ohio in 1987 he bought two Quarter Horses, that was the start of breeding, raising and selling horses. Two years went by and in 1989 on his back from Columbus he passed Roberts Arena In Wilmington. The sign read OPHC Paint Show. He stopped and

fell in love with those amazing Paint Horses. He could not believe how different the markings were, color and just how beautiful they were. In 1990 he bought his first Paint Horse. He started out showing in Halter Classes. Then in 1995 he bought the first riding horse because of his Granddaughter, Talia. In 1998 he purchased another riding horse for Talia. Ron also started showing Longeline in 2001. He loved everything about the Paint horses and showing. Ron was a very hard working person volunteering in the OPHC Club, always thinking how to make the Club bigger and better. He was President of the OPHC for three different years. He worked hard for the Youth and Amateur Club. He was a very compassionate person. He helped put the Ohio Paint Horse Club on the map. January 28, 2007 Ron passed away. As a Memorial to Ron Fille and the love of the Club and Paint Horse his family donated this trophy to the high Point Amateur in his honor and in his Memory.
